RESDC -- WHO ARE WE?

The RESDC was founded in 1986 as a not-for-profit, charitable organization whose main purpose is to promote and preserve a love of West Coast Swing dancing in the North Bay.

Our monthly dances are typically held on the 4th Saturday of the month from 7 to 11 pm (free beginner lesson from 7 to 7:50 pm) at a location in Sonoma County.

For location details, please see our website www.RESDC.org

WHAT IS WEST COAST SWING?

WCS, the California State dance, is a sophisticated, highly styled evolution of the Lindy or Jitterbug which became popular during World War II. In order to conserve space on the crowded ballroom floors of that era, the dancers started using a "slot" pattern instead of the circular one used in the East Coast style of swing dancing.

WCS is performed in a 6 or 8-count rhythm, with a unique quality that allows partners the choice of individual technique, styling and personal expression.

WCS is danced to a wide variety of music -- including blues and contemporary. It is both fun and challenging.

WHY JOIN RESDC?

Joining RESDC is a great way of supporting West Coast Swing dancing in the North Bay.

RESDC offers new and experienced dancers a local venue in which to have fun, continue to improve dance skills, attend workshops, make new friends, stay connected with old friends, and share in a dynamic dance community.

The RESDC is run entirely by volunteers. Joining helps the club:

- sponsor monthly club dances
- bring in top DJ's and instructors
- offer complimentary beginner lessons to new dancers
- publicize state-wide dance events on our web site www.RESDC.org
- offer local Jack and Jill contests
- sponsor workshops with top instructors
- provide snacks at dances
- hold special dances, such as our Invitational and Black & White Ball
